## Teen Toy Drive

We have a Christmas program for unemployed and underemployed families who are job seeking. Our biggest area of need is the teen gift section.

Some samples of needs are:

Radio controlled cards	MP3 player
Hand held games (under \$20)	Tent/Sleeping bag
Music CD's	Art Supplies
Perfume/Cologne	Model sets
Watch	Cosmetic/Nail kits
Camera and Film	Earrings/Jewelry
Gift cards	Hair care products (curling iron, etc)
Bath sets	T-shirts (Team)

These are just suggestions. Any items donated would be a blessing.

## Battery Drive

We need batteries for all of the Christmas Toys. It is important that we make sure that all of the toys will be working on Christmas Day. Size AAA, AA, C, D, and 9 volt are needed.

## HELP the Homeless Kits:

Sleeping Bags/Blankets	Hard candy
Tents	Tent-repair tape
Sample size or hotel size toiletries	Peanut Butter
Socks (men's)	Jelly
Flip-topped canned foods	Plastic utensils

We keep a limited supply of these on-hand and share the others with our partner Churches with homeless ministries.

Where to start:

Fundraisers or collection drives at your church or school.

Car washes (check with stores to see if they match funds)

Garage sales

Restaurant partners (some local restaurants will donate a portion of their proceeds for a night or allow kids to bus tables if you drive business to their location)

Anything you can imagine!

Christian HELP, their clients and partner ministries thank you for the blessings you provide by helping in our outreach ministries!
